a cookbook of recipes from the republic of georgia with an ample introduction to georgian culture and history

ethnic american food today introduces readers to the myriad ethnic food cultures in the u s today entries are organized alphabetically by nation and present the background and history of each food culture along with explorations of the place of that food in mainstream american society today many of the entries draw upon ethnographic research and personal experience giving insights into the meanings of various ethnic food traditions as well as into what how and why people of different ethnicities are actually eating today the entries look at foodways the network of activities surrounding food itself as well as the beliefs and

aesthetics surrounding that food and the changes that have occurred over time and place they also address stereotypes of that food culture and the culture's influence on american eating habits and menus describing foodways practices in both private and public contexts such as restaurants groceries social organizations and the contemporary world of culinary arts recipes of representative or iconic dishes are included this timely two volume encyclopedia addresses the complexity and richness of both ethnicity and food in america today

after more than a decade of turmoil and decline georgia has emerged as one of the world's most dynamic laboratories of democracy the major event in this new chapter of its history is the rose revolution a three week period of political intrigue and public demonstrations in november 2003 led to eduard shevardnadze's resignation and the result was that a demoralised and lethargic society suddenly seemed to turn into an energetic experiment in democracy events subsequent to the rose revolution suggest that this may be just the beginning of a larger transition but regardless of where the future leads this bloodless rebellion will remain a fascinating chapter in its own right it has left a powerful impression not only on georgians but on people throughout the world admired by some and deplored by others it has been observed closely everywhere in the former soviet states and beyond this new book presents a first historical snapshot of the rose revolution and events leading up to it the editors have included interviews with major players who were at the center of this historical episode as well as chapters by analysts who have tried to make sense of it from various perspectives the result is a multifaceted picture of an exciting as well as perilous time from the introduction contents from the editors the rose revolution a chronicle and images interviews articles the meaning of georgia's latest revolution the end of the age of the nomenklatura in georgia contextualizing the rose revolution the georgians esthetics above all georgia's revolution of roses a view from baku forces behind the rose revolution index

this book explores the evolving role of women in georgian society through the lens of food and cooking drawing on ethnographic research in ozurgeti it reveals how domestic practices serve as powerful expressions of female agency from the 19th century to the post soviet era georgian women have used food to navigate socio economic crises reshape family structures and preserve cultural identity the book combines feminist anthropology and food studies to challenge assumptions about women's roles in traditional societies by focusing on everyday acts of sustenance it offers a nuanced view of how women actively shape both private and public life a vital contribution to gender studies anthropology and post soviet research this book enhances our understanding of food as a site of social change

storytelling in world cinemas vol 2 contexts addresses the questions of what and why particular stories are told in films around the world both in terms of the forms of storytelling used and of the political religious historical and social contexts informing cinematic storytelling drawing on films from all five continents the book approaches storytelling from a cultural historical multidisciplinary

perspective focusing on the influence of cultural politics postcolonialism women's social and cultural positions and religious contexts on film stories publisher website
